

## Adoption Application

### Adoption requirements:

\*Please note\* our adoption fee is \$100 ( that's less than the pound) the fee includes the kittens shots, spay/neuter, deworming & Microchip.

- If you still live with your parent/legal guardian, he or she must fill out the application.
- We want to make sure the adoption is a great match for everyone involved. In order to complete the adoption we need to check out where the cat will be living. We personally deliver all of our rescues to their forever homes (like a stork) to ensure the cats are adopted to the best homes possible. It's a standard procedure within all rescue organizations in Los Angeles. Many of our rescues came from sad situations prior to "you" giving them a loving new wonderful forever home so please bear with us during this application purrocess. :)
